

House Resolution No. 356

Whereas, the members of the Missouri House of Representatives occasionally pause in their diverse legislative endeavors in order to acknowledge the superb accomplishments of Show-Me State students who have admirably dedicated themselves to the preparation necessary for them to take their rightful places in society as future leaders; and

Whereas, on Wednesday, February 6, 2002, the Waynesville Technical Academy Culinary Arts Program hosted the Missouri Association for Career and Technical Education legislative brunch in the Capitol Rotunda; and

Whereas, well on their way to mastering all of the knowledge and skills necessary to prepare the most sumptuous of foods and all manner of delectable delicacies, the students involved in preparing and serving the legislative brunch included Mike Maxey, Haley Powers, Lucretia Smith, Rosina Bridges, Laura Day, Broderick Lawson, Brandon Sikes, R.J. Stenson, Jose Howerton, Dustin Stillwell, Jessica Meyer, Novia Gavins, and John Bondoni; and

Whereas, the junior and senior students admitted to the Waynesville Technical Academy Culinary Arts Program are assisted and directed in their studies by a talented group of staff which includes Director of Culinary Arts Jon Dye, Gary Shultz, Alex Neuman, and Virginia Fulmer; and

Whereas, led by Dr. Ed Musgrove, Superintendent of the Waynesville R-VI School District, and Dr. Bob Chapman, Director of the Technical Academy, the Culinary Arts Program is an ambitious and highly successful component of the overall school district offerings that include classes at seven elementary schools, two middle schools, and one high school in which more than five thousand students receive a stellar education and preparation for the future under the watchful eyes of more than four hundred certificated staff:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-first General Assembly, join unanimously to applaud the education, skills, and training of everyone involved with the Waynesville Technical Academy Culinary Arts program and to convey to all of those staffers and students who visited the state Capitol on February 6, 2002, this legislative body's heartiest sincerest appreciation for the very fine meal prepared by the young chefs in the Rotunda; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution in honor of the Waynesville Technical Academy Culinary Arts program.
